

# EX.PO AUS SIGHTSEEING PLANNER

explore UNESCO sites on Adriatic . [planner.expoaus.org](http://planner.expoaus.org)

Web application EX.PO AUS sightseeing planner was produced with the financial assistance of the IPA Adriatic Cross-Border Cooperation Programme. The contents of this publication are the sole responsibility of the City of Dubrovnik and can under no circumstances be regarded as reflecting the position of the IPA Adriatic Cross-Border Cooperation Programme Authorities.

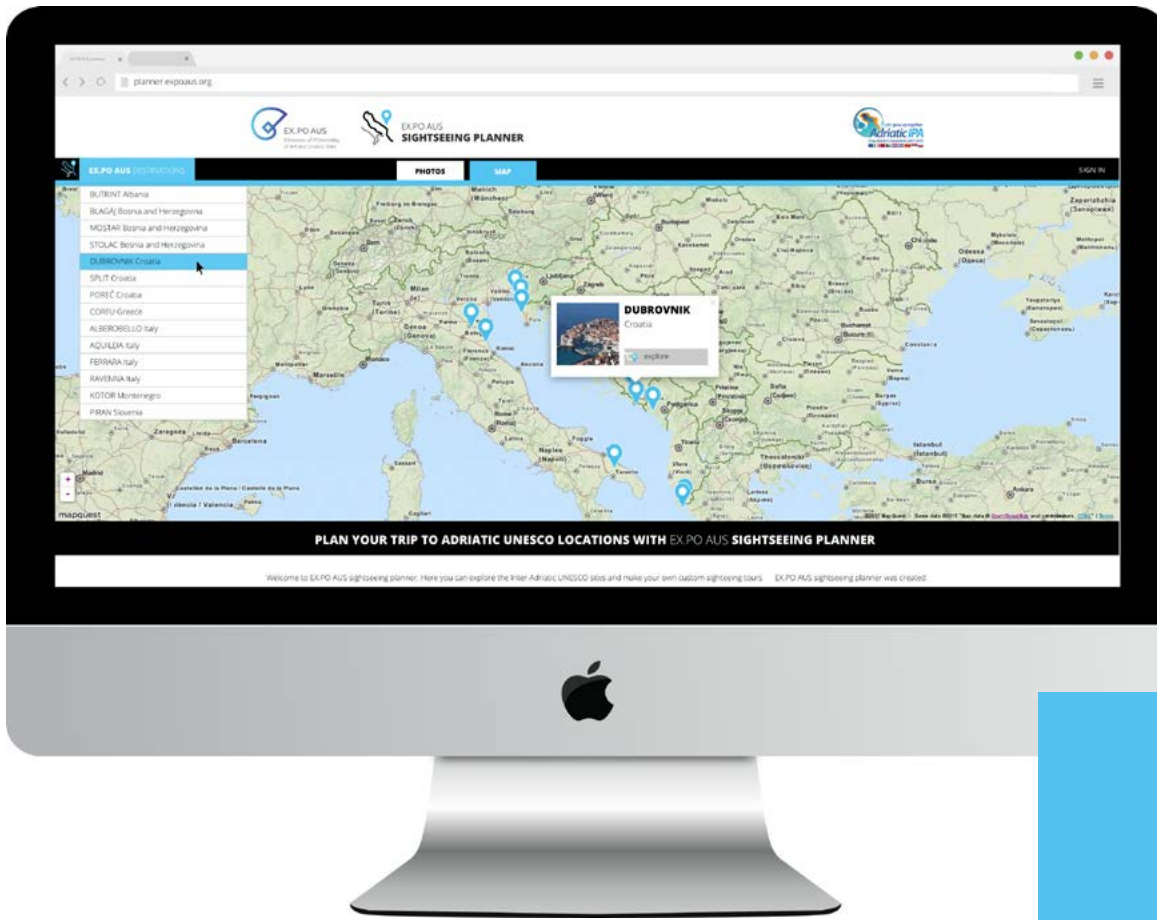

The European Union is made up of 28 Member States who have decided to gradually link together their knowhow, resources and destinies. Together, during a period of enlargement of over 50 years, they have built a zone of stability, democracy and sustainable development whilst maintaining cultural diversity, tolerance and individual freedoms. The European Union is committed to sharing its achievements and its values with countries and peoples beyond its borders.

The project is co-funded by the European Union,  
Instrument for Pre-Accession Assistance

This project is implemented by the Lead Partner  
City of Dubrovnik

**planner.expoaus.org**  
web application for exploring UNESCO Adriatic sights online and making custom eBooklets with sightseeing routes

On EX.PO AUS sightseeing planner you can explore the Inter-Adriatic UNESCO sites and make your own custom sightseeing tours according to your interests.

The main focus is the cultural heritage of the UNESCO sites - attractions and sights worth seeing. All locations are marked on the map and listed with a short description and photo.

Using this **Sightseeing planner** you will get custom eBooklet specially tailored for your own needs, loaded just with information you need and find useful and locations you want to visit. It will contain only the basic, brief information and would serve as a kind of to-do (to-see) trip list. By clicking on provided links you can access more detailed information on the related web sites.

**ONCE GENERATED eBookLET CONSISTS OF**

a city **map with sight-seeing routes** with chosen sights marked in it (attractions, museums, viewpoints etc.)
